

SHIMOGA MUNICIPALITY.

NOTICE.

Tenders are invited for the supply of about 500 tons of firewood for use at the Pumping Station, Shimoga, between 1st July 1916 to 30th June 1917. This quantity is not guaranteed. It may be more or less.

The wood to be jungle fuel and should be sawn into billets of not over 7" in diameter. The dimensions of each billet to be

Length.	Thickness.
18 to 24"	3 to 7"

The wood to be stacked in the yard near the Pumping Station, and should be packed as closely as possible with no vacant spaces. Each stack to be 75 cubic feet or its multiple.

The water Inspector, Chief Driver or other Municipal Officer in charge will have power to reject hollow, rotten or bad species of soft wood as Basari. The contractor will be responsible for the stacks until the wood is measured or weighed and taken over.

Each tender should be accompanied by a deposit of Rs. 20. It should be enclosed in a sealed cover and presented to the Vice-President by post or in person not later than the 25th March 1916.

The final acceptance of the tender will rest with the President.

Within eight days of the acceptance of the tender, the successful tenderer should execute the contract bond.

The collection of wood should begin not later than 15th May 1916, and on 1st July at least 70 tons should be supplied. The monthly supply should not fall short of 70 tons.

There must be a stock of three months' supply always on hand, and only stacks so kept will be measured and paid for.

In case any of the stacks contains vacant spaces, bad wood or the wood is not laid evenly it shall be in the discretion of the officer to take it by weightment.

The earnest money on the rejected tenders will be returned as soon as the tenders are disposed of.

K. MATTHAN,
President.

WATER-SUPPLY DIVISION.

Notice dated 1st March 1916.

1. Notice is hereby given that sealed tenders will be received by the undersigned up to 12 noon of 10th April 1916, for the supply of the undermentioned articles required for use of this Division.

2. An approximate estimate of quantities required is given against each item.

3. Each tender must be accompanied by a deposit of Rs. 200, as earnest money and superscribed "tenders for the supply of Tylor's Water Meters."

4. The final acceptance of the tender will rest with the undersigned, who does not bind himself to accept the lowest or any tender or assign any reason whatever for the rejection of any tender.

5. The name of the successful competitor whose tender has been accepted will be posted on the "Notice Board" in the undersigned's office in the usual course and no enquiries regarding the acceptance or rejection of a tender will receive attention.

6. The supply in full must be completed within one (1) month from the date of order, failing which, the unexecuted portion of the order will be cancelled and the order placed elsewhere and the deposit forfeited as a penalty for the non-execution of the order in full.

7. The rate tendered for each item shall include cost of delivery at the Stores of Water-Supply Division and not ex-godown.
